Office Memorandum • UNITED STATES GOVERNMENT

TO : Colonel Edward W. Gamble, Jr.
CSS Executive and Liquidating Officer
FROM : Robert H. Barnes
SUBJECT: Operational Groups

DATE: 10 September 1945

I have had a conversation with Major King, now in charge of O.G., concerning the general problem of liquidation.

I determined the following:

The OG personnel, approximately 400, are in the Far East with the exception of some 22 located in Washington. We have been advised that a large number (Major King estimated 250) of the Far Eastern people will depart from Karachi, India to arrive in the U. S. about November 1. They will be immediately discharged or returned to the Army. The remainder will arrive here from December 15 to January 1 and will be similarly disposed of, with the exception of about 12 persons who will be retained for a short period to dispose of the history, reports, and administrative detail. Of the 22 persons in Washington 8 have pending transfers out, 7 are being processed for discharge, and one of two female clerks will shortly be separated.

Major King is preparing a flow chart to indicate the speed with which liquidation will probably proceed. He will provide us with a copy.
